EDUCATION

Software Development Diploma

Southern Alberta Institute of Technology (SAIT), Calgary, AB

January 2025 – August 2026 (Expected)

Key Concepts:

- Object-oriented programming fundamentals
- Database programming and design
- Technical documentation, testing and de-bugging of code
- Software analysis and design, including agile development methodology

EMPLOYMENT EXPERIENCE

Box Office Associate, Box Office Supervisor, Box Office Manager

Calgary Opera, Calgary, AB

October 2021 – October 2024

- Daily entry and reporting of client data from a CRM system and management of the 10,000+ strong database, always following best practices
- Analysed sales data for senior leadership using Microsoft Excel
- Built 3 show seasons with 60+ performances each within the database, working closely with other departments to gather information, set goals and ultimately present finished products in a timely fashion
- Planned and executed several sold-out events, creating custom seating charts for 200+ guests and being on site to identify potential risks and issues
- Established and documented check-in procedures for all Calgary Opera events from 2022 to 2024
- Daily written and verbal communication and interaction with a wide client demographic, consistently commended for providing excellent service and going above and beyond

Essential Banker

Barclays Bank UK, Weston-Super-Mare, UK

May 2017 – July 2021

- Daily handling of sensitive client data with adherence to strict company policies and procedures
- Innovated triage procedure for the Business Till, reducing client wait-time by 20%, resulting in a +8 upwards trend in the area's NPS scoring
- Independently managed the counting house, processing over \$100k in cash transactions daily under sole control
- Conducted balancing and intermediate-level maintenance on automated teller machines
- Managed two banking halls in an efficient and high-energy manner, welcoming and assisting customers, building rapport and long-lasting relationships as a trusted advisor

OTHER EXPERIENCE

Garden Centre Assistant

Wyevale Garden Centres, Highbridge, UK

December 2015 – May 2017
